1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section <u>must</u> be completed. Attach additional information if necessary.)

I am a Duke Energy customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a retiree who has not had a COLA in three years. Every time there is an increase in products or services and I don't get an annual increase in Social Security then I have taken a cut in my income. I am opposed to an increase of this size. Really I am opposed to any increase at this time because with \$400 million dollars in profit an increase will only serve to pad the Duke Energy cushion more. My vote for this increase is "NO"

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

(This section should be completed.)

I would like to appear but I am not able to do so.
